

## **eMail Our Military Collaborates with SemperToons.com to Spread the Word on Safety**

MIAMI: (May 15, 2006) - In an effort to spread the word on safety to our troops eMail Our Military has teamed up with SemperToons.com to showcase their new Safety Series called "Safety SemperToons".

SemperToons was created in 1994 by Gunnery Sergeant Charles Wolf and is provided to all military publications worldwide. Though SemperToons is Marine oriented they have a fan base that extends well past the Marine Corps.

eMail Our Military, an organization dedicated to providing encouragement, motivation and morale support to service members, has always found SemperToons to be on par with their mission. "We believe 'Safety SemperToons' will appeal to service members in every branch of the military and that they will find them both beneficial and humorous" stated eMail Our Military's Public Affairs Officer, Ms. Melguizo. "We hope they send the serious message of safety with laughter" said creator GySgt Charles Wolf.

The 'Safety SemperToons' series began on April 30th and will be featured weekly on the eMail Our Military website at [www.eMailOurMilitary.com](http://www.eMailOurMilitary.com) in their 'What's New' section in addition to being posted in their monthly online newsletter.

eMail Our Military (eMOM) was created as a response to the DoD's cancellation of the "Any Service Member" and "Operation Dear Abby" mail programs in 2001, with the mission to provide encouragement, motivation and morale support to the men and women serving in our military by sending eMail, correspondence and care packages. Website visitors can join, participation is free, and take part in a number of support projects ranging from sending eMail on a one-on-one basis with a service member to year round support projects.
