eMail Our Military (eMOM) was created as a response to the DoD's cancellation of the "Any Service Member" and "Operation Dear Abby" mail programs in 2001, with the mission to provide encouragement, motivation and morale support to the men and women serving in our military by sending eMail, correspondence and care packages. Website visitors can join, participation is free, and take part in a number of support projects ranging from sending eMail on a one-on-one basis with a service member to year round support projects.
